(“Wabtec Defendants” or “Wabtec”) and Plaintiffs (as defined herein at Paragraph 11), both individually and on behalf of a Settlement Class (as defined herein at Paragraph 19).

WHEREAS, in 2018, separate actions were filed against the Wabtec Defendants and the Knorr Defendants (as defined herein at Paragraph 9) alleging that the Wabtec Defendants and the Knorr Defendants agreed that they would not compete for, recruit, poach, or hire each other’s employees in violation of the antitrust laws;

WHEREAS, those actions were coordinated and consolidated for pretrial proceedings in the United States District Court for the Western District of Pennsylvania in the action captioned *In re Railway Industry Employee No-Poach Antitrust Litigation*, MDL No. 2850 (the “Consolidated Action”);

WHEREAS, on July 31, 2019, Plaintiffs filed a Consolidated Amended Complaint (Dkt. 199) that alleges, among other things, that the Wabtec Defendants and Knorr Defendants entered into agreements with each other not to compete for, recruit, poach, or hire each other’s employees in violation of antitrust and unfair competition laws;

WHEREAS, the Consolidated Amended Complaint further alleges, among other things, that, as a result of the agreements, the Wabtec Defendants and Knorr Defendants undercompensated their employees, including Plaintiffs and Settlement Class Members, and

WHEREAS, Plaintiffs and the Knorr Defendants entered a settlement resolving the claims raised in the Consolidated Action;

WHEREAS, Plaintiffs and the Wabtec Defendants (collectively the "Settling Parties") have engaged in substantial arm's-length negotiations in an effort to resolve all claims that have been, or could have been, asserted in the Consolidated Action, including through mediations with the Honorable Thomas Vanaskie (Retired) as well as through numerous in-person and telephone conferences, which negotiations resulted in this Settlement Agreement;

WHEREAS, Wabtec Defendants have denied and continue to deny that they (and each of them) engaged in any wrongdoing of any kind, or that they violated or breached any law, regulation, or duty owed to the proposed Settlement Class, and further deny that they individually or collectively have any liability as a result of any and all allegations in the Consolidated Action;

WHEREAS, Wabtec Defendants have agreed to enter into this Agreement solely to avoid the further expense, inconvenience, and distraction of burdensome and protracted litigation, and to thereby put to rest with finality this controversy with Plaintiffs and the Settlement Class;

WHEREAS, Plaintiffs and Class Counsel (as defined herein at Paragraph 12) have concluded that it is in the interest of all members of the proposed Settlement Class to resolve finally and have concluded completely their claims against Wabtec Defendants, and that the terms of the Settlement Agreement are in the best interests of the proposed Settlement Class and are fair, reasonable, and adequate; and

NOW, THEREFORE, in consideration of the promises, agreements, covenants, representations, and warranties set forth herein, and other good and valuable consideration provided for herein, the Settling Parties agree to a full, final, and complete settlement of the Consolidated Action on the following terms and conditions:

Each Releasor hereby covenants and agrees that he, she, or it shall not, hereafter, assert a claim or otherwise seek to establish liability against any Released Party based in whole or in part on any Released Claims. In addition, each Releasor hereby expressly waives and releases, upon this Settlement Agreement becoming final, any and all provisions, rights, or benefits conferred by section 1542 of the California Civil Code, which provides:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

Each Releasor shall further be deemed to have, and shall have, waived any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law, which is similar, comparable or equivalent to section 1542 of the California Civil Code. Each Named Plaintiff and member of the Settlement Class may hereafter

discover facts other than or different from those which he, she, or it knows or believes to be true with respect to the Released Claims. Nevertheless, each Named Plaintiff and member of the Settlement Class hereby expressly waives and fully, finally, and forever settles and releases, upon this Settlement becoming final, the Released Claims, whether any Released Claim is known or unknown, suspected or unsuspected, contingent or non-contingent, concealed or hidden, and also forever waives and relinquishes any and all rights and benefits existing under any law or principle of law in any jurisdiction that would limit or restrict the effect or scope of the provisions of the Release set forth above without regard to the subsequent discovery or existence of other different facts.

37. The Release set forth herein shall not release any claims, whether pending or not, whether known or unknown, for product liability, personal injury, breach of warranty, breach of contract, or violation of the Uniform Commercial Code, or any other claims that were not or could not have been alleged in the Litigation whatsoever that are not related to the subject matter of the Litigation.

38. Each Plaintiff and each Settlement Class Member who submits a claim to participate in the distribution of the Settlement Fund shall represent and warrant that his, her, or its portion of the Released Claims is his, her, or its property and he, she, or it has not assigned or transferred to any person or entity any right to recovery for any claim or potential claim that would otherwise be released under this Agreement. Each Plaintiff and each Settlement Class Member who submits a claim to participate in the distribution of the Settlement Fund shall further represent and warrant that each of them has a valid and existing right to release such claims and is releasing such claims pursuant to his, her, or its membership in the Settlement Class.

39. Upon the Effective Date, Wabtec Defendants shall release Plaintiffs, Settlement Class members, and their counsel from any claims relating to the institution, prosecution, or settlement of the pending Action except for claims arising out of breach or enforcement of this Agreement.

F. Payment

40. Wabtec Defendants shall pay or cause to be paid the Settlement Payment as consideration for the Settlement. The Settlement Payment reflects Wabtec Defendants' total obligation to the Settlement Class in connection with the Action and under this Settlement Agreement, including without limitation all obligations for (i) all claims by Named Plaintiffs and Settlement Class Members, (ii) all fees and costs of Class Counsel as ordered by the Court, (iii) any Class Representative service award payment, (iv) all costs of the Action (including experts, consultants, court costs, etc.) and all costs of Class Notice, Claims Administration, and all other fees and costs arising out of or related to the Action or the Settlement; (v) taxes; (vi) all interest; (vii) any statutory trebling; and (viii) all other monetary relief. Under no circumstances shall Wabtec Defendants be required to pay more than the Settlement Payment; i.e., the Settlement Payment is the maximum amount that Wabtec Defendants shall be required to pay with respect to any claims, liability, or issues arising out of or related to the Action and/or the Settlement. The Settlement Payment shall be wire transferred by Wabtec Defendants or its designee to Citibank, N.A. within ten (10) business days of entry of an order by the Court granting Preliminary Approval of the Settlement.

41. The Parties expressly agree that under no circumstances shall Wabtec Defendants be responsible for paying any monies, benefits, costs, administrative costs, expenses, or attorneys' fees in settlement of this Action other than as expressly provided for by this

Agreement, nor will Wabtec Defendants be required to take any action or incur any liability except as expressly provided by this Agreement.

42. Each Settlement Class Member shall look solely to the Settlement Fund for settlement and satisfaction, as provided herein, of all claims released by the Releasors pursuant to this Agreement. Following payment, no Wabtec Defendant shall have any liabilities, obligations, or responsibilities with respect to the payment, disbursement, disposition, or distribution of the Settlement Fund.

43. The Escrow Agent shall place the Settlement Fund in an escrow account (the “Account”) created by order of the Court intended to constitute a “qualified settlement fund” (“QSF”) within the meaning of Section 1.468B-1 of the Treasury Regulations (“Treasury Regulations”) promulgated under the U.S. Internal Revenue Code of 1986, as amended (the “Code”). The Settlement Fund will be invested in instruments secured by the full faith and credit of the United States or an interest-bearing deposit obligation of Citibank, N.A. insured by the Federal Deposit Insurance Corporation (“FDIC”) to the applicable limits and any interest earned (or negative interest) thereon shall become part of (or paid from) the Settlement Fund. Wabtec Defendants shall be the “transferor” to the QSF within the meaning of Section 1.468B-1(d)(1) of the Treasury Regulations with respect to the Settlement Fund or any other amount transferred to the QSF pursuant to this Settlement Agreement. The Notice Administrator shall be the “administrator” of the QSF within the meaning of Section 1.468B-2(k)(3) of the Treasury Regulations, responsible for causing the filing of all tax returns required to be filed by or with respect to the QSF, paying from the QSF any taxes owed by or with respect to the QSF, and complying with any applicable information reporting or tax withholding requirements imposed by Section 1.468B-2(l)(2) of the Treasury Regulations or any other applicable law on or with

respect to the QSF. The Notice Administrator shall promptly take all steps necessary so that the Settlement Fund qualifies as a QSF within the meaning of Section 1.468B-1 of the Treasury Regulations. Wabtec Defendants and the Notice Administrator shall reasonably cooperate in providing any statements or making any elections or filings necessary or required by applicable law for satisfying the requirements for qualification as a QSF, including any relation-back election within the meaning of Section 1.468B-1(j) of the Treasury Regulations. The Notice Administrator shall promptly provide an IRS Form W-9 of the QSF to Wabtec Defendants and in any event shall do so prior to any payment or deposit of the Settlement Payment pursuant to this Agreement.

44. Wabtec Defendants and Wabtec's Counsel shall have no liability, obligation, or responsibility with respect to the investment, disbursement, disposition, taxes (including tax payments, withholding or reporting), distribution or other administration or oversight of the Settlement Fund or QSF and shall have no liability, obligation, or responsibility with respect to any liability, obligation, or responsibility of the Escrow Agent or Notice Administrator, including, but not limited to, liabilities, obligations, or responsibilities arising in connection with the investment, disbursement, or other administration of the Settlement Fund and QSF.

G. Allocation of Settlement Fund

45. The allocation of the Settlement Fund among the Settlement Class shall be subject to a Plan of Allocation to be proposed by Plaintiffs' Counsel and approved by the Court. Wabtec Defendants will take no position with respect to such proposed plan of allocation or such plan as may be approved by the Court. Wabtec Defendants also will have no involvement in the claims process.

46. Wabtec Defendants shall not have any responsibility, financial obligation, or liability whatsoever with respect to the investment, distribution, use or administration of the

Escrow Account, including, but not limited to, the costs and expenses of such investment, distribution, use, or administration.

H. Plaintiffs' Counsel's Fees and Expenses and Class Representative Service Awards

47. Plaintiffs' Counsel's attorneys' fees and expenses, as awarded by the Court, shall be paid solely from the Escrow Account, immediately upon the entry of the order by the Court awarding such amounts ("Fee and Expense Award"), notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the Settlement or any part thereof, subject to Plaintiffs' Counsel's joint and several obligation to repay amounts paid to them from the Escrow Account, plus accrued interest at the same net rate as is earned by the Escrow Account, and subject to an appropriate undertaking, if and when, as a result of any appeal and further proceedings on remand, or successful collateral attack, the Fee and Expense Award is reduced or reversed, or return of the Escrow Account is required. For the avoidance of doubt, this Fee and Expense Award shall come solely from the Settlement Fund, and shall not be an additional amount.

48. If there is any payment of attorneys' fees or reimbursement of expenses advanced by Plaintiffs' Counsel prior to the Effective Date, any attorneys, individuals, or firms receiving payment shall provide letters of credit from nationally chartered banks payable to Wabtec Defendants sufficient to secure any repayment obligations of those attorneys, individuals, or firms. In the event the Fee and Expense Award is reduced or reversed or return of the Escrow Account is otherwise required, Plaintiffs' Counsel shall, within ten (10) business days from the event which requires repayment of the Fee and Expense Award, refund to the Escrow Account the Fee and Expense Award paid to them, plus accrued interest at the same net rate as is earned by the Escrow Account.

49. Wabtec Defendants will take no position on Plaintiffs' Counsel's request for attorneys' fees and expenses, the appropriateness of any such award by the Court, or the timing of payment to Plaintiffs' Counsel. Plaintiffs' Counsel may, at a time approved by the Court, seek an award of attorneys' fees and reasonable litigation expenses to be paid out of the Escrow Account after the final approval of the Agreement. Wabtec Defendants will not take a position on such application nor participate in the fee application and review process, and Wabtec Defendants shall have no further obligations to make any payments for such fees, expenses, or any interest to the extent any interest is awarded, which shall be paid for solely out of the Settlement Fund.

50. At the Fairness Hearing, Class Counsel shall seek Court approval for service awards to Named Plaintiffs to compensate them for their contributions to this Action. The proposed service awards shall be in addition to any monetary award to Named Plaintiffs under the Plan of Allocation, and is subject to Court approval. Such service awards shall be paid by the Notice Administrator solely out of the Settlement Fund upon Court approval. For the avoidance of doubt, this payment shall come from the Settlement Fund, and shall not be an additional amount, and Wabtec Defendants shall have no further obligations to make any service payments.

51. Wabtec Defendants agree to take no position on such service awards to Named Plaintiffs.

52. Any service payment to Named Plaintiffs shall not be considered compensation under the terms of any benefits plan or for any purpose except to the extent required for tax purposes. The receipt of a service payment shall not affect the amount of any contribution to or level of benefits under any benefit plan.

I. Rescission

53. If the Court does not grant final approval to this Agreement or certify the Settlement Class or if such approval or certification is modified or set aside on appeal, or if the Court does not enter the final judgment provided for in Paragraph 28 of this Agreement, or if the Court enters the final judgment and appellate review is sought, and on such review, such final judgment is not affirmed, then Wabtec Defendants and Plaintiffs shall each, in their sole discretion, have the option to rescind this Agreement in its entirety within ten (10) business days of the action giving rise to such option. If this Agreement is rescinded, within ten (10) business days of the later of the written notice of rescission to Plaintiffs' Counsel and the Escrow Agent and Wabtec Defendants' written instructions to the Escrow Agent, the \$36,950,000 Settlement Fund and any accrued interest, less only the cost of notice and settlement administration authorized by and actually and reasonably incurred pursuant to this Agreement and Court Order, shall be wire transferred to Wabtec Defendants, pursuant to its instructions.

54. Settlement Class members shall be provided with an opportunity to exclude themselves from the Settlement. In the event that the Total Compensation of Settlement Class Members that timely and validly exclude themselves from the Settlement exceeds [REDACTED] of the Total Compensation of all of the Settlement Class Members, or exceeds [REDACTED] of the headcount of the Settlement Class Members (the "Threshold"), then Wabtec Defendants, in its sole discretion, shall have the unilateral, unconditional option to withdraw from the Settlement Agreement and render the Settlement Agreement null and void and of no force and effect as between Wabtec Defendants and Named Plaintiffs, and Paragraph 53 of the Settlement Agreement shall apply as to Wabtec Defendants.

55. For purposes of assessing and estimating the Threshold, the Notice Administrator shall, at least twenty-eight (28) days before the Fairness Hearing, provide the Settling Parties (a)

with a calculation of (i) Total Compensation of all Class Members, and (ii) Total Compensation of the Class Members that timely and validly opted out of the Settlement; and (b) back-up data sufficient for a Settling Party to independently verify the accuracy of the foregoing calculations. It is the Settling Parties' intention to use the best reasonably available information in making these calculations, but not to let the imprecision or incompleteness of such data stand in the way of making such calculations. The burden of proof, or disproof, is shared equally between the Settling Parties such that the Settling Parties equally bear the consequences of any imperfections or incompleteness of the available data.

56. If Wabtec Defendants seek to terminate the Settlement Agreement on the basis that the Threshold has been met, the Settling Parties agree that any dispute as to whether the Threshold has been met will be resolved by the Special Master appointed by the Court. Any decision of the Special Master may be appealed to the Court for review in accordance with the terms of the Special Master appointment in the Action.

57. To exercise its option to terminate the Settlement Agreement, Wabtec Defendants' Counsel must provide Class Counsel with written notice no later than twenty-one (21) days prior to the Fairness Hearing. The Parties will use their best efforts to complete the dispute resolution process pursuant to Paragraph 56 above at least seven (7) days before the Fairness Hearing.

58. If this Agreement does not become final or effective as provided for in Paragraphs 28 and 30, Plaintiffs' Counsel and Wabtec Defendants agree that this Agreement, including its exhibits, and any and all negotiations, documents, information, and discussions associated with it, shall be null and void and of no force and effect and shall be without prejudice to the rights of Wabtec Defendants or Plaintiffs, shall not be deemed or construed to be an admission or denial,

or evidence or lack of evidence of any violation of any statute or law or of any liability or wrongdoing, or of the truth or falsity of any of the claims or allegations made in this Action in any pleading, or the value of any of the claims or allegations made in this Action, and shall not be used directly or indirectly, in any way, whether in this Action or in any other proceeding. If the Agreement does not become final, the Parties specifically agree that Wabtec Defendants' stipulation to a Settlement Class shall not be used or relied upon by Plaintiffs in support of certification of a litigation class.

J. Dispute Resolution

59. Any dispute arising out of the finalization of the settlement documentation or cooperation on this Settlement Agreement will be resolved by the Special Master appointed by the Court. Any decision of the Special Master may be appealed to the Court for review in accordance with the terms of the Special Master appointment in the Action.

K. Tax Allocation

60. Without admitting liability, the Settling Parties agree that one-third of the payments to Settlement Class Members is allocable to wages and two-thirds of such payments is allocable to statutory multiplier damages. The Settling Parties agree that no portion of the Settlement Fund is attributable to government penalties or fines. Plaintiffs' Counsel, Named Plaintiffs, and the Settlement Class represent and agree that they have not received and/or relied upon any advice and/or representations from Wabtec Defendants and/or Wabtec's Counsel as to taxes, including as to the allocation of payments for tax purposes, the necessity for withholding, and/or the taxability of the consideration paid pursuant to this Agreement, whether pursuant to federal, state, or local income tax statutes or otherwise. Plaintiffs' Counsel represents that neither Named Plaintiffs nor Plaintiffs' Counsel has provided any advice as to the taxability of payments received pursuant to this Agreement.

L. Taxes

Plaintiffs' Counsel shall be solely responsible for directing the Notice Administrator to file all informational and other tax returns necessary to report any taxable and/or net taxable income earned by the Settlement Fund. Further, Plaintiffs' Counsel shall be solely responsible for directing the Escrow Agent to make any tax payments, including interest and penalties due, on income earned by the Settlement Fund ("Tax Expenses"). Plaintiffs' Counsel shall be entitled to direct the Escrow Agent in writing to pay customary and reasonable Tax Expenses, including reasonable professional fees and expenses incurred in connection with carrying out their responsibilities as set forth in this Paragraph, from the applicable Settlement Fund by notifying the Escrow Agent in writing. Wabtec Defendants shall have no responsibility to make any tax filings or tax payments relating to this Agreement or the Settlement Fund.

62. For the purpose of Section 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the "Administrator" of the Settlement Amount shall be the Notice Administrator, who shall timely and properly file or cause to be filed on a timely basis, all tax returns necessary or advisable with respect to the Settlement Fund (including without limitation all income tax returns, all informational returns, and all returns described in Treasury Regulation Section 1.468B-2).

63. The Parties to this Agreement and their Counsel shall treat, and shall cause the Notice Administrator to treat, the Settlement Fund as being at all times a "qualified settlement fund" within the meaning of Treasury Regulation Section 1.468B-1. In addition, the Notice Administrator and, as required, the parties, shall timely make such elections as necessary or advisable to carry out the provisions of this Paragraph, including the "relation-back election" (as defined in Treasury Regulation Section 1.468B-1(j)) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such

regulations. It shall be the responsibility of the Notice Administrator to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties and thereafter to cause the appropriate filing to occur. All provisions of this Agreement shall be interpreted in a manner that is consistent with the Settlement Fund being a “qualified settlement fund” within the meaning of Treasury Regulation Section 1.468B-1.

64. Payments to Named Plaintiffs and other Class Members from the Account will be subject to applicable tax withholding and reporting requirements pursuant to the allocation set out in Paragraph 60 of this Agreement, and shall be made net of all applicable employment taxes, including without limitation federal, state, and local income tax withholding and applicable FICA and Medicare taxes. The Settlement Fund shall constitute a special award to the Class and to any Class Members receiving a payment and no portion shall be considered as a payment of overtime, salary, wages, and/or compensation under the terms of any company benefits plan or for any purpose except for tax purposes as stated herein.

65. The Notice Administrator, as administrator of the QSF, shall report that portion of the Settlement Fund payable as wages by the QSF to each eligible Class Member and to the United States Internal Revenue Service (“IRS”) and to other appropriate taxing authorities (each of the IRS and any such other taxing authority, a “Taxing Authority,” and collectively, “Taxing Authorities”) on an IRS Form W-2, or any other applicable form. Such amounts shall be subject to applicable employment taxes and withholding taxes, including without limitation FICA, FUTA, Medicare, and any state and local taxes, including without limitation SUTA, as determined by the Notice Administrator as administrator of the QSF making such payments.

66. The Notice Administrator shall pay from the QSF the employee’s and employer’s shares of all applicable U.S. federal, state, and local taxes, including without limitation the

employer's share of FICA, FUTA, Medicare, and any state and local taxes, including without limitation SUTA, required to be paid by an employee or employer on amounts treated as wages (all such U.S. federal, state, and local taxes, collectively the "Payroll Taxes"). Named Plaintiffs, Class Counsel, Class Members, and the Notice Administrator shall not seek payment from Wabtec Defendants for any such Payroll Taxes or any other taxes arising out of the Settlement Fund.

67. As to the portion of the Settlement Fund payable by the QSF to each eligible Class Member that is treated as other than wages, the Notice Administrator, as administrator of the QSF, shall report that portion to the Class Member, and all applicable Taxing Authorities, to the extent required by law, under the Class Member's name and U.S. federal taxpayer identification number on IRS Forms 1099, 1042-S, or other applicable forms, and such payments shall be made without deduction for taxes and withholdings, except as required by law, as determined by the Notice Administrator, as administrator of the QSF making such payments.

68. As to the portion of the Settlement Fund payable to any recipient of a class representative service award payment, the Notice Administrator, as the administrator of the QSF, shall report that portion to such recipient, and all applicable Taxing Authorities, to the extent required by law, under such recipient's name and U.S. federal taxpayer identification number on IRS Forms 1099, 1042-S, or other applicable forms, and such payments shall be made without deduction for taxes and withholdings, except as required by law, as determined by the Notice Administrator, as administrator of the QSF making such payments.

69. As to the portion of the Settlement Fund payable to Class Counsel for all fees and costs of Class Counsel, as ordered by the Court, the Notice Administrator, as the administrator of the QSF, shall report that portion to Class Counsel, and all applicable Taxing Authorities, to the

extent required by law, under Class Counsel's name and U.S. federal taxpayer identification number on IRS Forms 1099, 1042-S, or other applicable forms, and such payments shall be made without deduction for taxes and withholdings, except as required by law, as determined by the Notice Administrator, as administrator of the QSF making such payments.

70. The Notice Administrator shall be responsible to satisfy from the Settlement Fund any and all federal, state, and local employment and withholding taxes, including without limitation federal, state and local income tax withholding, and any U.S. federal taxes, including without limitation FICA, FUTA, and Medicare and any state and local employment taxes, including without limitation SUTA. The Notice Administrator shall promptly provide to Wabtec Defendants the information and documentation (including copies of applicable IRS and state forms) reasonably requested by Wabtec Defendants with respect to the payment or remittance of such employment and withholding taxes. The Notice Administrator shall satisfy all federal, state, local, and other reporting requirements (including without limitation any applicable reporting with respect to attorneys' fees and other costs subject to reporting), and any and all taxes, together with interest and penalties imposed thereon, and other obligations with respect to the payments or distributions from the Settlement Fund not otherwise addressed herein.

71. The Notice Administrator shall be responsible for procuring any required tax forms from Class Members prior to making any such payments or distributions.

72. For avoidance of doubt, Wabtec Defendants, Wabtec's Counsel, Named Plaintiffs, and Class Counsel shall have no liability, obligation or responsibility whatsoever for tax obligations arising from payments to any Class Member, or based on the activities and income of the QSF. In addition, Wabtec Defendants and Wabtec's Counsel shall have no liability, obligation, or responsibility for any taxes or reporting requirements with respect to this

Settlement or the Settlement Fund, including without limitation taxes arising out of payments made to Settlement Class Members or Class Counsel or on their behalf (including without limitation the employee's and employer's shares of all applicable U.S. federal, state, and local taxes, including without limitation FICA, FUTA, Medicare, and any state and local taxes, including without limitation SUTA, and any withholding taxes) or on any interest earned on the Settlement Fund. The QSF shall be solely responsible for its tax obligations. Each Class Member shall be solely responsible for his or her tax obligations. Class Counsel shall be solely responsible for their own tax obligations.

73. Named Plaintiffs, individually and on behalf of the Class, and Class Counsel and each of them represent and agree that they have not received and/or relied upon any advice and/or representations from Wabtec Defendants or Wabtec's Counsel as to taxes, including the taxability of the payments received pursuant to this Agreement. Class Counsel represent that neither Named Plaintiffs nor Class Counsel provided any advice as to the taxability of payments received pursuant to this Agreement.

M. Miscellaneous

74. Nothing in this Settlement Agreement shall be construed as an admission in any action or proceeding, of any kind whatsoever, civil, criminal, or otherwise, before any court, administrative agency, regulatory body, or any other body or authority, present or future, by Wabtec Defendants, any Released Party, Plaintiffs, or any of them, including without limitation that Wabtec Defendants or any Released Party has engaged in any conduct or practices that violate any state or federal antitrust statute or other law.

75. The United States District Court for the Western District of Pennsylvania shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or

relating to this Agreement or the applicability of this Agreement, subject to the dispute resolution provisions set forth above in Paragraphs 56 and 59. This Agreement shall be governed by and interpreted according to the substantive laws of Pennsylvania without regard to its choice of law or conflict of laws principles. Wabtec Defendants submit to the jurisdiction of the Western District of Pennsylvania only for the purposes of adjudicating the implementation, enforcement, and performance of this Agreement.

76. This Agreement constitutes the entire agreement among Plaintiffs (and the other Releasors) and Wabtec Defendants (and the other Released Parties) pertaining to the settlement of the Action against Wabtec Defendants (and the other Released Parties) only, and supersedes any and all prior and contemporaneous undertakings of Plaintiffs and Wabtec Defendants in connection therewith, including the Memorandum of Understanding executed on January 21, 2020. In entering into this Agreement, Plaintiffs and Wabtec Defendants have not relied upon any representation or promise made by Plaintiffs or Wabtec Defendants not contained in this Agreement. This Agreement may be modified or amended only by a writing executed by Plaintiffs and Wabtec Defendants and approved by the Court.

77. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of Releasors and Released Parties. Without limiting the generality of the foregoing: (a) each and every covenant and agreement made herein by Plaintiffs or Plaintiffs' Counsel shall be binding upon all Settlement Class Members and Releasors; and (b) each and every covenant and agreement made herein by Released Parties shall be binding upon all Released Parties.

78. This Agreement may be executed in counterparts by Plaintiffs' Counsel and Wabtec's Counsel, and an electronically-scanned (in either .pdf or .tiff format) signature will be considered an original signature for purposes of execution of this Agreement.

79. To the extent that any timeframe set out in this Settlement Agreement is ambiguous, said ambiguity shall be resolved by applying the convention contained in Rule 6 of the Federal Rules of Civil Procedure.

80. The headings in this Agreement are included for convenience only and shall not be deemed to constitute part of this Agreement or to affect its construction. In the event this Agreement is not approved, or in the event that the Order and final judgment approving the settlement is entered but is reversed, modified, or vacated, the pre-settlement status of this Action (including without limitation any applicable tolling of any statute of limitations) shall be restored, and the Agreement shall have no effect on the rights of Plaintiffs or Wabtec Defendants to prosecute or defend the pending Action in any respect, including without limitation the right to litigate fully the issues related to class certification, raise personal jurisdictional defenses, or any other defenses, which rights are specifically and expressly retained by Wabtec Defendants.

81. Neither Wabtec Defendants nor Plaintiffs, nor any of them, shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

82. Nothing expressed or implied in this Agreement is intended to or shall be construed to confer upon or give any person or entity other than Class Members, Releasers, Wabtec Defendants, and Released Parties any right or remedy under or by reason of this Agreement.

83. Unless the Court orders otherwise, objections to the Settlement, if any, must be submitted in writing, and must include a detailed description of the basis of the objection. Objections must be provided to both Plaintiffs' Counsel and Wabtec's Counsel.

84. All documents and other information (including deposition testimony and discovery responses) produced by the Parties in discovery shall in the future be treated as Confidential consistent with the terms of the Protective Order, without regard to any time limitations in the Protective Order. This Confidential treatment does not apply to the following: (a) any documents filed in the Action that were publicly available as of January 21, 2020; or (b) any documents that are otherwise publicly available. If deposition testimony is publicly available in written form (i.e., transcript excerpts), the corresponding video testimony shall also not be treated as Confidential. At no point will Wabtec Defendants be asked to reveal any privileged information. In the event of an inadvertent disclosure of privileged information, such information shall be immediately returned to Wabtec Defendants and/or destroyed under the process provided by the Protective Order.

85. The terms of this Agreement shall remain confidential until Plaintiffs file their motion for Preliminary Approval. Prior to the filing of the motion for Preliminary Approval, the Settling Parties are authorized to state publicly that the parties have reached an agreement in principle, which will be subject to approval of the Court, and that they cannot comment further. The parties will work together in good faith to coordinate the simultaneous public disclosure of this Settlement. Before such time, no party shall disclose the terms of this Agreement, including the amount of the Settlement Payment, without the prior written consent of the other parties, except as required by law. Wabtec Defendants, however, may disclose the terms of the Settlement internally to Wabtec Defendants' directors and senior management or as otherwise reasonably appropriate for auditing, finance, accounting, legal or similar purposes.

86. Where this Agreement requires any party to provide notice or any other communication or document to any other party, such notice, communication, or document shall be provided by electronic mail or overnight delivery to:
